

# PRACTICE MAKES PERFECT!

Plan out your private practice sessions so you can focus on the skills that need the most work. Simply record the date of each session, along with the skills practised, skills you still need to work on and real life driving situations you practised in session.

Our temporary Learner Driver Insurance provides instant comprehensive cover for you to drive a family member's or friend's car, so you can be covered straight away!

SESSION:	SKILLS PRACTICED:	NEED TO WORK ON:	REAL LIFE SITUATIONS:
